

# Washington Fire Commissioners Association 2018 Health Care Workshop

*For Commissioners and Administrative Personnel of Fire Districts,  
Fire Departments, Regional Fire Authorities & Public Authorities*

## OPEN INVITATION

You are cordially invited to attend the upcoming Washington Fire Commissioners Association (WFCA) Health Care Program Workshop, which will be held at the Yakima Convention Center on Wednesday, October 24<sup>th</sup>. The workshop will begin at 3:30 pm and is free of charge.

This **invitation is open** to both current Health Care Program member organizations and fire service organizations not enrolled in the Program. Fire service administrators are encouraged to attend to learn more about the program, which offers comprehensive benefits at a competitive price. We encourage you to check to be sure your organization is not paying higher premiums for fewer benefits.

The workshop will provide an opportunity to meet and interact with our new WFCA Health Care Manager Anne Marvin, Claims Administrators from Trusteed Plans Service Corporation, and Brokers from Parker, Smith and Feek. These are the key people who support the WFCA Health Care Program and facilitate the purchase and provision of comprehensive, affordable health care specifically for the benefit of fire service professionals and their families. Bring your questions and comments.

The workshop will cover 2019 Plan Year information including health benefits, premium rates, changes in health care reform and WFCA Health Care Program projects and activities. It is a valuable opportunity for us to hear your thoughts and ideas. Please come network with us so we can get to know you better. We are here to serve our membership.

Pre-registration is encouraged, and you may do so by clicking [here](#) to complete the online registration form. If you prefer a hard copy registration, one is attached to complete and submit to the WFCA office. NOTE: It is not necessary to be registered for the WFCA annual conference in order to attend this workshop.

If you have any questions or need additional information regarding this workshop or the Health Care Program, feel free to contact the WFCA office at 800.491.9322, 360.943.3880 or [annem@wfca.wa.gov](mailto:annem@wfca.wa.gov).
