

## Save money and staff time on your public works rosters

The MRSC Rosters provides FULL maintenance of your small public works and consultant rosters for the same price as only posting one roster legal notice independently. Through the shared database system, we are able to host individual rosters, support business registration, and post legal notices more cost-effectively for public agencies .

**Join the 279 Washington cities, counties, and special districts** across the state who use MRSC Rosters to conveniently maintain their agency's individual rosters and gain access to a broader selection of businesses.
