WHAT WE'RE ABOUT

The Washington Fire Commissioners Association was created by statute in 1948 to provide major research, administrative education, legislative representation, health and welfare programs, networking opportunities and other benefits to Washington State fire protection districts and regional fire authorities (RFAs).

Although membership in the WFCA is voluntary, 84% of the 366 fire protection districts and RFAs in the state currently participate as dues paying members.

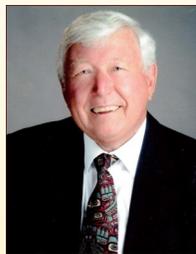

The association is managed by a 12-member board of directors elected by the membership. Olympia is home to WFCA headquarters, where five full time employees work in the association-owned James R. Larson Forum Building.

FROM THE PRESIDENT

On behalf of the Board of Directors, I am pleased to provide you with the first ever Washington Fire Commissioners Association Annual Report. You will find among these pages a summary of the association's 2015 finances and activities, the purpose of which is to inform you of the WFCA's overall fitness.

I want to thank the Board, committees and staff for their hard work, collaboration and support. I also want to thank the membership; it was my pleasure to serve as your President in 2014 and 2015 and I look forward to my continued involvement in this outstanding organization.

FROM THE EXECUTIVE SECRETARY

It has been said that an association is only as strong as its members; if that's true, and I believe it is, the WFCA is as strong as ever.

The WFCA managed its financial resources in a prudent and responsible manner, as evidenced by this year's clean audit report from the State Auditor. Finances are detailed in this report and I am happy to answer any questions or provide additional information—please feel free to ask.

In 2015, staff responded to hundreds of email and telephone requests for information and attended numerous county fire commissioner association and district meetings throughout the state. We truly enjoy our work providing you with premium services and resources so you can do your best as fire service leaders.

Please let me know if there is anything we can do to improve our programs or services. Thank you for your continued support of the WFCA.

LEGISLATIVE PROGRAM

The WFCAs continued to have a very active voice and presence during the legislative session in 2015. The association was successful in advocating for the passage of reform on the state firefighter training program to allow for improved access and training of firefighters on a local level.

The WFCAs took a leadership role and was successful in securing passage of "all risk mobilization" which allows for mobilization in the event of any major state-wide emergency.

The association continues to advocate for volunteer firefighter recruitment and retention programs and continues to fight to protect fire district/RFA funding for fire and emergency medical services.

The WFCAs will be active in lobbying for increased funding for the North Bend Training Academy and wildfire grants and training through the Department of Natural Resources.

WFCAs PROGRAMS

Wage & Benefit Survey

In 2015, 66 fire districts and RFAs completed the comprehensive questionnaire covering wages, benefits and reimbursement information. The 64-page survey report was provided to the following participating districts: Benton 4; Chelan 1, 7 & 8; Clallam 1; Clark 6, 9 & 13; Douglas 2; Franklin 3; Grant 3, 8 & 10; Island 1 & 5; Jefferson 1, 2 & 4; King 20, 27, 36 & 44; Kitsap 1, 7, 10 & 18; Kittitas 1 & 2; Lewis 1, 3, 6, 14 & 15; Mason 3, 6 & 18; Pend Oreille 2; Pierce 3, 6, 16, 18 & 21; San Juan 3 & 4; Skagit 8 & 19; Snohomish 3, 4, 5, 7 & 17; Spokane 3, 8 & 10; Stevens 1 & 4; Thurston 3, 6, 8 & 13; Walla Walla 4; Whatcom 8 & 11; Yakima 4, 5 & 6. Thank you for supporting this important project.

Management Excellence

Awards were presented during the annual conference banquet to the following fire service organizations in recognition of their innovative ideas, progressive achievement and the outstanding leadership demonstrated by their boards of commissioners/governance: Chelan Fire & Rescue, Clallam 4, Franklin 3, Graham Fire & Rescue, Grant 3, Jefferson 4, Kent Regional Fire Authority, Lewis 15, Mason 18, Pacific 1, Skagit 13, Southeast Thurston Fire Authority, Spokane 3, Spokane 10, Thurston 6 and Thurston 13.

EDUCATIONAL PROGRAMS

The WFCA offered workshops for fire service administrators through its Saturday Seminar Series (total attendance 298) and annual conference. Online registration for educational programs was offered for the first time this year with much success. The Education Committee is to be commended for its efforts in providing the highest rated Saturday Seminar (mock board meeting) offered in association history and for putting together conference workshops that drew record attendance (468).

Saturday Seminars

Pictured is the Yakima Seminar Mock Board. Seated (l-r): Ken Eakin, Les Riel, Phil Nelson Standing (l-r): Joe Gendron, Michelle Rosen, Kinnon Williams

An interactive “mock” board of commissioners meeting, facilitated by Attorney Kinnon Williams (Inslee Best Doezie & Ryder), was presented in Yakima and Ocean Shores to help commissioners run a better meeting. Learning in a new and different way, this class was interesting and fun.

Mike McCall (M.J. Consulting) presented a highly rated program in Chelan on Risk Management designed to help fire districts/RFAs mitigate their exposure to personnel-driven lawsuits.

Annual Conference

This year’s conference at the Tulalip Resort in Marysville was, by all accounts, a huge success. In an association first, the Board volunteered to check in attendees at the registration desk on Wednesday afternoon, while associate members took advantage of the new vendor table sponsorship opportunity. In addition to quality educational programs, commissioners had ample time to discuss issues that impact their local departments, to exchange ideas, to conduct association business and to enjoy the camaraderie that is the foundation of the fire service. There were so many positive comments about the venue that the Tulalip has been re-booked for the 2019 conference!

Grant Program

Several members attended seminars and conference as a result of the WFCA’s educational grant program, which offers complimentary registration to districts whose assessed value is \$50 million or less. The grant program was made possible by the following associate members who sponsored refreshment breaks at 2015 WFCA events: BIAS Software, Chmelik, Sitkin & Davis, D. A. Davidson & Co., Emergency Services Insurance Program (ESIP), Enduris, Northwest Safety Clean, Rice Fergus Miller Architecture & Planning, TCA Architecture Planning and WFCA Health Care Program. We thank these companies for their generous support of the WFCA.

HEALTH & WELFARE BENEFITS PROGRAM

Total covered enrollment in self-funded medical plans increased by nearly 15% in 2015. Based on actual medical expenses, and careful Health Care Committee deliberations, a recommendation was made and the Board approved a no premium increase in 2015 *for the second year in a row*.

Three workshops were held in September to provide 2016 plan information to participating member organizations' human resource representatives, chiefs and commissioners. The workshops also provided an important opportunity for the WFCA to receive feedback on program performance from member organizations.

The decision to invest in federal government bonds has proven beneficial to the program's bottom line. Interest earnings for the year exceeded \$129,000—much more than could be earned from traditional bank accounts. The year ended with over \$22 million in reserves.

The following fire districts and regional fire authorities participated in the WFCA Health Care Program in 2015:

ASOTIN COUNTY - District 1

BENTON COUNTY - Districts 1, 2, West Benton Fire & Rescue, Districts 4, 6
